

## YOUTH MYTHBUSTERS Best EU Mythbusting action

If you had one option, what fake news would you fight? Have you ever thought about this?

From March to May 2021, in the YOUTH MYTHBUSTERS partner countries (Cyprus, Czech Republic, Greece, Hungary and Italy) Young Influencers organised Myth Busting Actions teams, aiming to promote the civic and political engagement of their peers, including NEETs and other young vulnerable people.

The main activities of these Myth Busting Teams were the identification of myth busting facts (fake news, propaganda, manipulation) which were monitored by the Young Influencers as well as by the National & European Advisory Groups in cooperation with the project partners.

The actions involved online Myth Busting Actions i.e photos with engaging captions, memes, campaigns, social media campaigns, youtube channels, videos, etc. Through these actions the young people, participants had the opportunity to increase their civic and political engagement and to enhance their media literacy and critical thinking skills.

In each country, the National Advisory Group selected the Best National Action!

Now through July 4<sup>th</sup>, 2021, we need your help to nominate the EU Best Myth Busting Action for the YOUTH MYTHBUSTERS contest.
